Relaxation

The thatched roof of the main building creates a soaring grand space with its unique vantage overlooking the Buffalo River. Here guests can enjoy the spacious lounge, bar and dining areas and use the generous deck in sunshine or shade.

Accommodation

Generous ensuite rooms for double, twin, single or family guests all have their own outside decks, fridge, fresh milk and hospitality supplies.

Our African Space

Walks, Hikes and Trails can take you from the river to the mountain top, and birders may see some of our 180 recorded species.

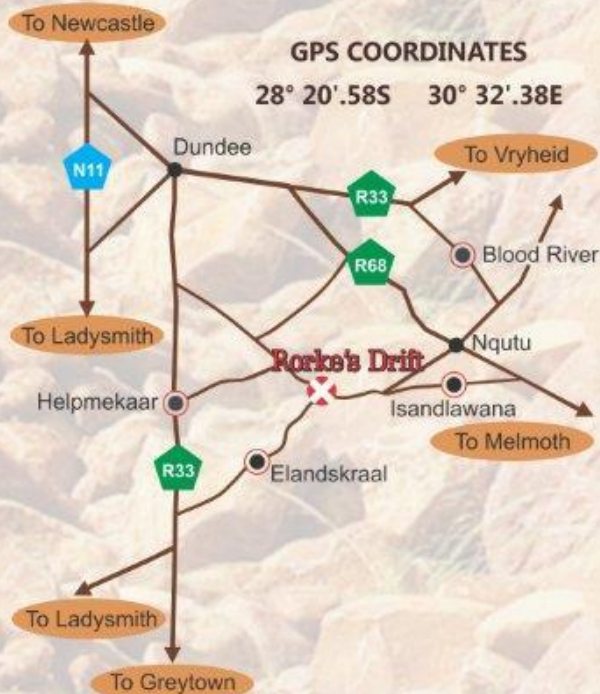

History and Culture

Our hospitality in a stimulating environment will give a unique experience in rural KwaZulu-Natal. We can book a guide for you.

Conferencing and Team building

Group tours, conferences and team builders will find the stimulating location and its history a memorable experience.
